BOYS HEAD COACH

Jeff Faith is entering his third year as Head Basketball Coach. Jeff has been around sports his entire life. Although basketball is his love and he played throughout school, he competed as a collegiate runner at Morehead State University. He has worked in the public school system for 20 years and has served as counselor, coach of multiple sports, athletic director, high school administrator, and, currently, the Assistant Coordinator at Crossroads Academy.

Jeff and his bride of 20 years, Jennifer, have two children, Micah and Calleigh, that they have homeschooled since the time each child started kindergarten.

Jeff's prayer for the team is that much like how teammates learn to trust in each other, each player would learn to live with the understanding and the promise of Proverbs 3:5-7. "Trust in the Lord with all your heart, and do not lean on your own understanding. In all your ways acknowledge him, and he will make straight your paths. Be not wise in your own eyes; fear the Lord, and turn away from evil."

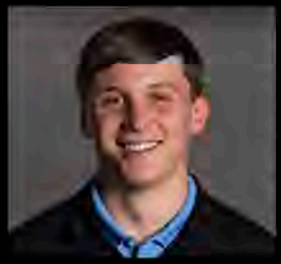

BOYS ASSISTANT COACHES

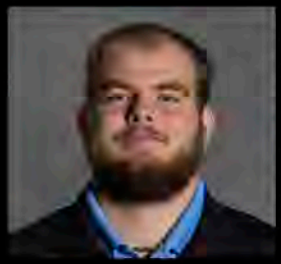

Coach Ali McField has demonstrated an unparallel love for sports. For over a decade,he has used that love and to fuel his deep desire to empower young athletes. Guided by the timeless wisdom of the serenity prayer, Ali imparts upon his athletes the strength and courage to embrace change. He instills in them the knowledge and wisdom to discern between what they can control and what they cannot, enabling them to not only improve their game but also unlock their true potential as players and people. Beyond the realm of sports, Ali is a devoted husband and a proud father of five, embodying the values of dedication, compassion, and integrity in every facet of life.

Ben Essenburg is entering his second year coaching with the Hurricanes. He has been around sports his entire life and has coached multiple sports for 8 years. Growing up in the Hoosier State, he was surrounded by basketball from a young age and played 4 years of college basketball at Taylor University. Ben and his wife have 2 children, both of which are homeschooled. His goal is to foster a competitive, grace-filled athlete, committed to developing their body, mind, and spirit through individual and team growth. Building up the next generation through Christian athletics is a privilege and Ben is committed to developing young men who love to compete and glorify Jesus through their gifts, both on and off the court.

Coach Jack Childress is starting his first year coaching basketball. He grew upwith a love for the game playing on his first competitive team in 5th grade. Jack played his Senior season with CHAA in 2020. He has recently come back to the program with his wife, Kylee Childress, to help coach at the Varsity Level. Jack wants to help build the same loving environment that took him in only a few years ago and showed him what a real Christian organization should look like.

Coach Austin Sloop fell in love with the game of basketball at the age of 6. He enjoys other sports such as baseball and football but will always have a special spot in his heart for basketball. Austin spent much of his final two years of high school playing varsity basketball for the Hurricanes, where he was a team captain his senior year. He has since decided to extend his time in a leadership role as a middle school coach for the Hurricanes basketball program and is very grateful to CHAA for giving him this opportunity. A key piece of scripture for Austin is Deuteronomy 31:6, which says,"Be strong and of a good courage, fear not, nor be afraid of them:for the Lord thy God, he it is that doth go with thee; he will not fail thee, nor forsake thee."

GIRLS HEAD COACH

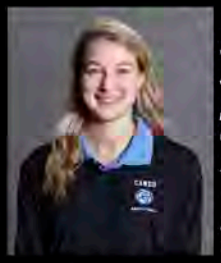

Bailey received a scholarship to play basketball at Toccoa Falls College. She transferred to Truett McConnell and after one year had to stop playing due to an injury. However, she stayed on as a student assistant at Truett where she caught the coaching bug. During her time as a teacher, she has coached multiple sports, but basketball remains her greatest passion.

Some of her accolades as a player and coach include: 1st All Region Team (Basketball & Softball), 2nd Team All State (Softball), All State Honorable Mention (Basketball), Henry County Athlete of the Year (multimple sport athletes), Region Coach of the year (SCISA), Final Four, andmultiple playoff runs through the SPAL.

Through athletics Bailey believes she can make a difference in the lives of her athletes. She wants to see young women not only reach their full potential as players but more importantly discover whom Christ calls them to be. She is looking forward to bringing growth, development, and passion to the Lady Canes Basketball Program.

Bailey is the mother to her two greatest accomplishments, Joel and Olivia. They are also excited about tjoining the CHAA family. They will be found running around the gym and buying all the food from the concession stand.

GIRLS ASSISTANT COACHES

This is Coach Kylee's first year of coaching basketball. She grew up in a very competitive basketball family so basketball has naturally become one of her most passionate hobbies from all of the years playing and observing the sport. Kylee played 6 years of competitive homeschool basketball. Her senior year she played for CHAA and fell in love with the atmosphere of Christ-like love and friendship she found in her peers and the staff who made the 2021 season possible. Kylee is looking forward to being a part of CHAA and giving that same experience to those she's around.

Linda Lee's lifelong love for sports began with basketball and softball during her high school years. This passion led her to excel as an athlete, earning a scholarship to Clark College after graduation. Beyond her playing days, Linda seamlessly transitioned to coaching, dedicating eight years to guiding her daughter's softball team.Her coaching philosophy goes beyond winning; it's about nurturing character and growth. She believes sports offer a platform for learning and camaraderie. Linda sees sports as a way to fulfill God's plan of mutual learning. Through sports, we tackle challenges, celebrate victories, and face defeats, all while supporting one another. Linda's enduring childlike enthusiasm for sports fuels her mission to inspire. She reminds us that the value of sports lies not only in victories but also in life lessons. She shares this love with her children,DeCember and Karangi, and works passionately with her grandsons, Tristian, Julian, and Teysen, passing on her legacy.
