Dear Prospective Donor,

Thank you for your consideration in donating to CHAA!

CHAA Hurricanes Booster Club, Inc. is a non-profit charitable 501(c)3 fundraising and outreach community sports program for middle & high school student athletes, who are home educated or attend a private school without access to an athletic program, but want the opportunity to play sports, receive varsity letters and earn potential college scholarships.

Founded in 2010 and approved for non-profit 501(c)3 status in 2014, CHAA is built around the ideals of unity, character and honor. Every year, many students miss out on athletics because they are homeschooled or attend a private school without an athletic program. CHAA provides these sports: basketball, baseball, soccer, football, golf & cheerleading to student athletes. States have a physical education requirement for high school graduates and CHAA allows these students to meet this educational requirement. Athletics ensure a healthy lifestyle, increases personal drive, confidence and creates a sense of pride. CHAA is the abbreviation for Coastal Homeschool Athletic Association. CHAA is a 100% volunteer organization with a heart for student athletes. CHAA depends on fundraisers and donations to continue this outreach athletic program and meet the needs for our student athletes, who if CHAA didn't exist, wouldn't have the opportunity to play & thrive in athletics during their middle and high school years.
